Adrian Marple

www.stanford.edu/~amarple

Objective

To work on a product that I passionately believe will have an impact.
Unusually hard math is welcome.

Education

Period	**Sept 2010 — Mar 2014**
Degree	**Master of Science in Computer Science**
University	**Stanford University** · Stanford, CA

Admitted for PhD program in Computer Science and subsequently advised by Yoav Shoham. Currently on leave of absence. This degree was conferred in passing after completing the breadth requirement and the qualifying exam.

Period	**Aug 2006 — May 2010**
Degree	**Bachelor of Science in Electrical Engineering Computer Science**
Minor	**Minor in Mathematics**
GPA	**3.89 / 4.0**
University	**The University of California** · Berkeley, CA

Work Experience

Period	**June 2013 — Sept 2013**
Job Title	**Research Intern**
Employer	**Microsoft Research** · Cambridge, MA

Mentored by Managing Director of MSR New England Jennifer Chayes, I worked on an axiomatization of communities.
